The following notes explain your general rights as a shareholder and your right to attend and vote at this Meeting or to appoint someone else to vote on your behalf.

- 1) Pursuant to the Company's Articles of Association, a member of the Company entitled to attend and vote at the meeting convened by this notice is entitled to appoint one or more proxies to exercise any of his rights to attend, speak and vote at that meeting on his behalf.
- 2) If a member appoints more than one proxy, each proxy must be entitled to exercise the rights attached to different shares. If you submit more than one valid proxy appointment in respect of the same shares, the appointment received last before the latest time for the receipt of proxies will take precedence.
- 3) A proxy may only be appointed using the procedures set out in these notes and the notes to the form of proxy. To validly appoint a proxy, a member must complete, sign and date the enclosed form of proxy and deposit it at the office of the Company's registrars, Neville Registrars, at Neville House, Steelpark Road, Halesowen, West Midlands B62 8HD, by 11 a.m. on 12 June 2026 (or, in the event that the meeting is adjourned, not less than 48 hours, excluding non-working days, before the time fixed for the holding of the adjourned meeting). Any power of attorney or any other authority under which the form of proxy is signed (or a duly certified copy of such power or authority) must be enclosed with the form of proxy.
- 4) In order to revoke a proxy appointment, a member must sign and date a notice clearly stating his intention to revoke his proxy appointment and deposit it at the office of the Company's registrars, Neville Registrars, at Neville House, Steelpark Road, Halesowen, West Midlands B62 8HD prior to commencement of the meeting. If the revocation is received after the time specified, the original proxy appointment will remain valid unless the member attends the meeting and votes in person.

If the revocation is received after the time specified, the original corporate representative appointment will remain valid unless the member attends the meeting and votes in person.
- 6) In the case of joint holders, where more than one of the joint holders purports to appoint a proxy in respect of the same shares, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first named being the most senior).
- 7) The right to vote at the meeting shall be determined by reference to the register of members of the Company. Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001 (as amended), only those persons whose names are entered on the register of members of the Company at 6.00 p.m. 12 June 2026 (or, in the event of any adjournment, at 6.00 p.m. on the date which is two working days prior to the adjourned meeting) shall be entitled to attend and vote in respect of the number of shares registered in their names at that time. Changes to entries on the register of members after that time shall be disregarded in determining the rights of any person to vote at the meeting.
- 8) CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the meeting and any adjournment(s) thereof by using the procedures described in the CREST Manual (available via www.euroclear.com). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
- 9) In order for a proxy appointment or instruction made by means of the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & International Limited's ("Euroclear") specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the Company's agent (ID 7RA11) by the latest time for proxy appointments set out in paragraph 3 above. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

- 10) CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001 (as amended).
- 11) Any corporation which is a shareholder can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a shareholder provided that no more than one corporate representative exercises powers in relation to the same shares.
- 12) Any shareholder attending the Meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the Meeting but no such answer need be given if: (a) to do so would interfere unduly with the preparation for the Meeting or involve the disclosure of confidential information; (b) the answer has already been given on a website in the form of an answer to a question; or (c) it is undesirable in the interests of the Company or the good order of the Meeting that the question be answered.
- 13) You may not use any electronic address (within the meaning of Section 333(4) of the Companies Act 2006) provided in either this Notice or any related documents (including the form of proxy) to communicate with the Company for any purposes other than those expressly stated.
- 14) A copy of this Notice, and other information required by Section 311A of the Companies Act 2006, can be found on the Company's website at <https://cizzlebiotechnology.com/>.
- 15) At 19 May 2026, (being the latest practicable date prior to the publication of this notice) the issued share capital of the Company consisted of 424,963,202 Ordinary Shares of £0.0001 each in the capital of the Company. Each Ordinary share carries one vote. The Company held no shares in treasury, therefore the total voting rights in the Company as at 19 May 2026 were 424,963,202.

EXPLANATION OF BUSINESS

Resolution 1: To receive the annual report and accounts

Company law requires the Directors to present the annual report and accounts of the Company to shareholders in respect of each financial year.

Resolution 2: To approve the Remuneration Policy

Shareholders are being asked to approve the remuneration policy as set out on pages 31 to 34 of the annual financial report, which takes effect immediately after the end of the AGM. The vote is binding. The Remuneration Committee intends to put the Directors' Remuneration Policy to shareholders for approval every three years, unless there is a need for the Directors' Remuneration Policy to be approved at an earlier stage.

Resolution 3: To approve the remuneration report

The Companies Act 2006 (the 'Act') requires listed companies to put a resolution to shareholders at each general meeting to approve the Directors' Remuneration Report (other than the part containing the Directors' Remuneration Policy), which forms part of the Annual Report and gives details of the Directors' remuneration for the year ended 31 December 2025. The vote is advisory and does not affect the actual remuneration paid to any individual Director.

Resolution 3 in the Notice of Annual General Meeting proposed, as an ordinary resolution, to approve the remuneration report (other than the part containing the Directors' Remuneration Policy), which can be found on pages 30 to 38 of the Annual Report and Accounts.

Resolutions 4 - 6: To re-elect Directors

Under the latest Company's Articles of Association, at each Annual General Meeting ("AGM"), any Director then in office for whom it is the second AGM following the AGM at which they were elected or last re-elected shall retire from office but shall be eligible for re-appointment. It was noted John Michael Treacy, Dawn Coverley and Nigel Ronald Lee ("the retiring directors") were last re-appointed at the 2024 AGM and therefore they shall retire from office and shall be eligible for re-appointment at the 2026 AGM.

Biographies of the retiring directors seeking re-election are set out in the Annual Financial Report of the Company for the year ended 31 December 2025. Accordingly, the Board recommends the re-election of John Michael Treacy, Dawn Coverley and Nigel Ronald Lee as directors of the Company.

Resolutions 7 and 8: To reappoint the auditor and authorise the Board to determine their remuneration

The Company is required to appoint an auditor at each general meeting at which accounts are laid before the members, to hold office until the conclusion of the next such meeting. Resolution 7 is for members to reappoint PKF Littlejohn LLP as auditors of the Company and resolution 8 proposes that shareholders authorise the Board to determine the remuneration of the auditors. In practice, the audit committee will consider the audit fees and recommend them to the Board.

Resolutions 9 to 11: Directors' authority to allot shares

Resolutions 9 to 11 authorises the Directors to allot ordinary shares, and grant rights to subscribe for or convert any security into shares in the Company, up to:

- *Resolution (9)*: an aggregate nominal value of £2,064.56 in connection with the grant of options to the Directors of the Company, being Allan Syms, Nigel Lee, and Dawn Coverley (the 'Options'). These options have been granted by the Company subject to the achievement of key milestones, as explained in the RNS announcement published by the Company dated 7 May 2026 ('Issue of Options, Salary Waivers and New Management Incentive Plan') available for download from the Company's website at <https://cizzlebiotechnology.com/announcements/>;
- *Resolution (10)*: 17,857,143 ordinary shares in the capital of the Company to Frazer Lang registered in the name of Ropemaker Nominees Limited, credited as fully paid, pursuant to the conversion of £250,000 Convertible Loan Notes at a conversion price of 1.4 pence per share. These loan notes have been issued by the Company as a result of the funding facility, as explained in the RNS announcement published by the Company dated 2 April 2026 ('£250,000 Funding Facility') available for download from the Company's website at <https://cizzlebiotechnology.com/announcements/>; and
- *Resolution (11)*: otherwise, an aggregate nominal value of £14,165.44. This amount represents one third of the issued ordinary share capital of the Company as at 19 May 2026, the latest practicable date prior to the publication of this document. This authority will expire at the conclusion of the 2027 AGM or on 16 September 2027, whichever is the earlier.

Resolutions 12 to 14: Disapplication of pre-emption rights

If Directors of a Company wish to allot shares in the Company, or to sell treasury shares, for cash (other than in connection with an employee share scheme) company law requires that these shares are offered first to shareholders in proportion to their existing holdings.

The purpose of Resolutions 12 to 14 is to authorise the Directors to allot ordinary shares in the Company, or sell treasury shares, for cash

- *Resolution (12)*: in connection with the grant of the Options;
- *Resolution (13)*: in connection with the allotment of shares to Frazer Lang registered in the name of Ropemaker Nominees Limited pursuant to the conversion of the Convertible Loan Notes; and
- *Resolution (14)*: (a) in connection with a rights issue; (b) in connection with allotment of equity securities arising from the conversion of any other convertible securities (other than the Options (resolution 12) and Convertible Loan Notes (resolution 13)) outstanding at the date of the resolution and, otherwise, (c) up to a nominal value of £14,165.44, equivalent to one third of the total issued ordinary share capital of the Company as at 19 May 2026 without the shares first being offered to existing shareholders in proportion to their holdings. This authority will expire at the conclusion of the 2027 AGM or on 16 September 2027, whichever is the earlier.

Resolution 15: Approval for calling of general meetings (other than AGMs) on 14 days' notice

Under company law, the Company is required to give 21 clear days' notice for a general meeting of the Company unless shareholders approve a shorter notice period, which cannot be less than 14 clear days (AGMs must continue to be held on at least 21 clear days' notice).

Resolution 15 proposes a special resolution and seeks shareholder approval to enable the Company to call general meetings, other than AGMs, on at least 14 clear days' notice. The approval will be effective until the Company's next AGM, when it is intended that a similar resolution will be proposed. The flexibility offered by this resolution will be used where, taking into account the circumstances, the Directors consider to be appropriate in relation to the business to be considered at the meeting in question and where it is thought to be to the advantage of shareholders as a whole. In order to be able to call a general meeting on less than 21 clear days' notice, the Company must make a means of electronic voting available to all shareholders for that meeting.

Net Assets of the Group

During the course of the audit of the Company's financial statements for the year ended 31 December 2025, the Board was informed that the value of the Group's net assets has fallen below half of its called-up share capital, while the net assets of the Company, on an individual basis, remain above its called-up share capital. In these circumstances, the Directors are not required, pursuant to Section 656 of the Companies Act 2006 to convene a general meeting of the Company.

This position will be partly remedied by the guaranteed royalty payments and the Convertible Loan Note funding facilities that have been put in place post-year end. The Board are also exploring other ways of remedying this situation. The Board invites shareholders of the Company to put questions to the Board. The Board welcomes dialogue with shareholders and, accordingly, at the AGM shareholders will have an opportunity to discuss this matter.
